ALBERTA**

**Hon. Manmeet S. Bhullar  
MLA Calgary-Greenway**

April 8, 2014

It gives me great pleasure to extend my heartfelt best wishes to the Bangladesh Heritage and Ethnic Society of Alberta and the Bengali community as we celebrate Bengali New Year on April 14.

As Albertans and Canadians, we are lucky to live in a province and country that encourages us to celebrate our heritage. Multicultural groups such as BHESA are to be commended for their contribution to a richer and more diverse province.

Our culture is a window into Alberta for the world to see. We want others to view us as dynamic and vibrant, and for our cultural industries to be a reflection of our quality of life. Cultural groups serve as a great example to this, and they are the reason why our region is so prosperous.

I applaud your devotion and willingness to share your wonderful culture with Albertans. Your work is noble and sincerely appreciated.

Thank you for your commitment to strengthening our province and Happy Bengali New Year!

Sincerely
